Sorry about that. OWOW was looking for something for Kopocis right away, but I do take your point.

Jason –

I have not reviewed this yet. I don't expect to make any major changes, since Carter and I discussed his rough draft yesterday; but we were not planning to send it to HQ until later today after I, then Angeles and Jeff, had a chance to review it. Cliff requested the opportunity to review it before we send to CEQ. Please help us avoid having multiple versions in circulation.

Thanks –

-Kathy

NEPA remains in the lead here. But here's what they've prepared, with my input late yesterday. I asked Castanon how Corps planned to respond to CEQ's item "b". No response.
